J&C Joel are pleased to announce that Richard Wright has joined our team as a technical sales representative.

Richard brings over 35 years of experience to the role and most recently worked in technical sales for projection screen manufacturer, Harkness Screens (UK) Limited.

As well as his in-depth knowledge of J&C Joel's range of PVC projection screens, Richard also has a wealth of experience in working with flame retardant fabrics and we are confident that he will be a fantastic addition to our sales team.

Richard will be based in North London and will be on hand to assist clients in the capital and around the Home Counties

Richard is thrilled to have joined J&C Joel, one of the world's premier suppliers and manufacturers of fabrics, flooring and stage machinery to the theatre, entertainments and events industries.

Richard said, "After more than 30 years in the industry it's great to work for a company like J&C Joel. I'm looking forward to getting involved and working with the people and products that have given this firm its superb reputation."

Everyone at J&C Joel is happy to have Richard on board and would like to wish him all the best in his new role.
