J&C Joel and friends add a little extra magic to charity fundraiser

Saturday 17 September 2011 saw many of Calderdale's businesses gather to support the region's charities at The Imaginarium, one of the most eagerly awaited charity events in the social calendar.

Held at the disused weavers' shed at Shaw Lodge Mills, the magically themed evening hosted by Halifax-based Prego Events on behalf of the Communities Foundation for Calderdale aimed to raise funds for a number of charities in the area.

J&C Joel contributed to the occasion by pulling together a number of industry contacts to provide rigging, lighting and stage dressings for the event. The Prolyte Group donated trussing and rigging equipment, with event lighting supplied by the HSL Group. Draping hire specialists Acre Jean provided black drapes which were hung around the venue and S+H Technical Support's starcloths provided an extravagant backdrop to the event.

J&C Joel were proud to be a part of the event, installing all of the equipment which was kindly transported to the venue by the Collett Group. All products and services were donated free of charge.

Sarah Petty, managing director of Prego Events said, "we are delighted at J&C Joel's involvement in The Imaginarium. Without their help and expertise the occasion would not have been the great success that it was."

J&C Joel's managing director, Andrew Walsh, said of the company's involvement, "we wanted to do something special and contribute to the event, and hopefully we've helped to make The Imaginarium just that little bit more magical."

That's magic: guests get carried away with the spirit of the evening at The Imaginarium, Calderdale's enchanting charity fundraising event

The weavers' shed at Shaw Lodge Mills, Halifax, was transformed into a magical wonderland with the help of J&C Joel and their industry partners
