Chloe is Double European Champion

J&C Joel are please to announce that a member of the Joel extended family is a `Double European Champion`. Chloe Griffiths the oldest daughter of our contracts manager Tony Griffiths has won two `Gold medals` at the recent European Dragon Boat championships held in Prague. Chloe was part of the Great Britain under 18 mixed team that won both their 200m and 500m events. In Dragon Boating a mixed team has to have at least 8 ladies in a team of 20 paddlers. So just to make the team Chloe had to be in the top 8 in the country, no mean feat for this athlete who also represents her college in Hockey and Netball.

Currently studying in her final year at Cowley Language College in St Helens before aiming to go on to university to study `Sports Development`, Chloe is an active member of the `Amathus Dragon Boat Club` based in Liverpool. Amathus are one of the elite teams in the British League who hold national league events up and down the country. On representing her country Chloe said, "The training was really hard but to cross the line first and win the gold medal was worth it".

The hard work for Chloe starts again as she aims to get in the Great Britain team for next years world championships at the Olympic Regatta course in Penrith Australia, made famous for the location of Steve Redgrave's fifth Olympic Gold.

Chloe is shown fourth on the left hand side of the boat going down to the start of one of her races. With the former showing Chloe's team just edging out the Hungarian team to win the Gold in the 200m final.
