Linda Riordan MP for Halifax visits J&C Joel at the ABTT

From left to right: J&C Joel's Mark Taylor, Andrew Walsh, Linda Riordan MP, and James Wheelwright.

J&C Joel were visited by their local Labour MP, Linda Riordan, whilst at the recent ABTT Theatre Show. She popped over from Westminster and spent the morning on the stand learning about the new products, and taking a real hands-on interest in her constituents and their business from Sowerby Bridge, near Halifax in Yorkshire.

"Linda thought our new website was excellent and highly informative," reports Walsh, "and was very impressed that we had done projects like the cosmetic dressing for Crufts, and with our export trade with China – as you are more likely to hear about imports rather than exports to China right now!"
