As part of our newly released product binder J&C Joel Limited™ have added four new colours within the Liquid Lamé range in addition to the already stocked Silver and Gold Lamé:

- Green
- Red
- Purple
- Blue

Liquid Lamé is a polyester foil which reflects light extremely well, making it ideal for glitzy, designer shows.

Ring J&C Joel Limited™ now for the new sample card and you can learn all about the new symbols below:

NDFR polyester
